**Step 1:**

1) Verify that all parts are in box.

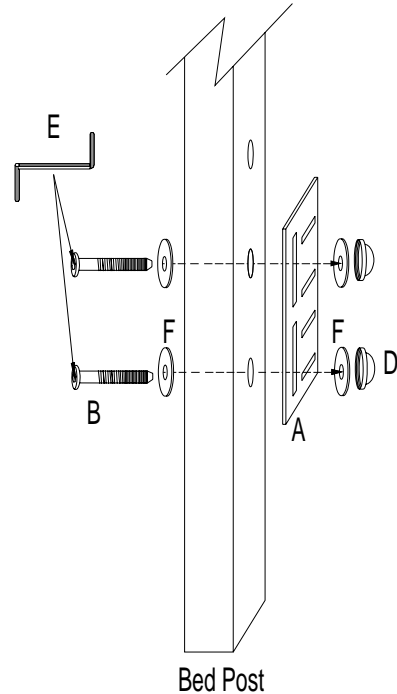

---

**Step 2:**

Attach Modi Plate (A) to Head Board Bed Post using Bed Bolts (B), Washers (F) and Cap Nuts (D) - **See Illustration.** Do not tighten at this time. Attach Modi Plates to both bed post.

**NOTE:** May need to change orientation of Modi Plate depending on your Bed Frame.

Attachment of Modi Plate to bed/ Headboard

---

**Step 3:**

Attach your Metal Frame to Modi Plate using Bed Bolts (C), Washers (F) and Cap Nuts (D) - **See Illustration Below.** Attach to Both Bed Post. Adjust the Modi Plate up or down and Left or Right until slots in Modi Plate line up with holes/slots in Metal Bed Frame - **See Illustration on Right.**
